Positions Available at HERO High for January 2019

HERO High, or The Health, Education and Research Occupations High School, is seeking teachers and other staff for the Spring semester, beginning January 2019. HERO High is an Early College and Career High School serving a diverse student population in grades 9-14. Through our innovative program, students will obtain an Associate degree in nursing or community health, a CTE high school diploma, and supported entry to a career in health care or a four-year college program. 2018-19 is HERO High’s sixth year of operations.

HERO High is one of the “P-Tech” schools mentioned by President Obama in the 2013 State of the Union address and featured more recently in the Time magazine piece entitled The Diploma That Works. In his 2014 State of the City address, Mayor de Blasio mentioned HERO High as an innovative program that helps students gain entry to the middle class. Faculty and staff at HERO High will shape the future of public education as we build a school that allows our students to prosper in a challenging 21st century economy.

HERO High is looking for teachers and staff who possess:

- commitment to helping a diverse group of students meet ambitious goals,
- belief that even the most challenged students can engage in rigorous academic work,
- enthusiasm about the collaborative work necessary to build a thriving small school.

For January 2019, HERO High is hiring for the following positions:

- **Health Careers Teacher in Practical Nursing, Nurse Assisting, or Emergency Medical Services.** Qualifications for these titles include a Bachelor degree + 2 years of work experience or an Associate degree + 4 years of work experience. Starts at $56-77,000/year. See the UFT contract for salary schedule.

- **Math or SPED Teacher.** Must be licensed to teach math or Special Education in New York State. Starts at $56-77,000/year, depending on experience and education. See the UFT contract for salary schedule.

- **College Advisor.** Supports early college students and students in grade 13 and 14, facilitates advisory for students in grades 13 and 14, and manages 4-year college application process for 12th graders and transfer students. This position requires split time between HERO High and Hostos Community College. Qualifications include teacher, guidance or social worker license in New York State, experience in academic advisement, advisory, college counseling and high school/college partnerships. See the UFT salary schedule for your license area for information about salary.

- **Community Associate.** Supports disciplinary staff by managing student behavior and movement in the hallways, participating in conflict mediation and de-escalation, collecting and distributing student cell phones, and working with staff teams to address school-based problems regarding operations and student behavior. Starts at $37-55,000/annually. Refer to the DC-37 contract for salary schedule.

- **School Secretary.** Manages the main office and works with a team to support school operations and school leaders and faculty. Strong candidates should have excellent customer service skills, ability to multitask, and be bilingual in Spanish. Starts at $39-42,000/year. Refer to UFT contract for salary schedule.

To apply for a position, please send a resume and cover letter to Principal Kristin Cahill at kcahill@herohigh.net. Thank you for your interest in HERO High.
